

Do Chinese people like dog meat?

Many foreigners rumor that Chinese people like to eat dog meat.

What is the truth?

The Chinese began to be able to eat only about 20 years ago. Before that, there were more people, less food, and more wars.

When you are hungry, not only cats, dogs, pigs, horses, cows, sheep... All that can be eaten will be eaten, and some people even eat soil to feed their hunger.

After the founding of the People's Republic of China, most people have their own land, and the Chinese are no longer hungry.

So, do Chinese people now like to eat dog meat?

Most people don't eat dog meat.

Because they think that dogs are a member of the family, dogs should not be eaten as pets, loyal, and brave.

Therefore, although there is no law prohibiting the consumption of dog meat in China, there are very few people who eat dog meat. Only in the southwestern part of China and northeastern China, there are a small number of people who occasionally eat dog meat. This is only a long-standing tradition. Now people There are many things you can eat, and you don't want to eat dog meat.

So, if you see people from China in the future, you can ask them what they think about eating dog meat, but don't think that Chinese people love dog meat.
