

real China:Chinese see the political correctness of the United States

<https://www.zhihu.com/question/41295018/answer/126181219>

Because the Chinese people will generally be some dialectics, the understanding of things not so extreme and naive. So for the Chinese people, most of the time there is no political correctness, on the network, everyone's point of view is different, who is also against who.

“-----

Here are some comments from Chinese:

“ blob.png

My boss can not criticize me, or he is discriminating against women / blacks / LGBT / fat / thin / tall / short / Latino.

My teacher can not give me C, or is discrimination

You are normal white men how to do? Deserve. What are you doing in Asian? Deserve.

If the conversation can not afford some of the topic, or because some of the

discussion of the whole people are not good, you can escape here. There are cute little dog video; a pillow; a crayon; also placed light music ha ha ha sooner or later die in the comfort zone

blob.png

American flag only red and white blue, white but not black, racial discrimination! US White House is white, white supremacy! Men can not see gynecology, women can not see male subjects, gender discrimination! When the President of the United States to take the oath to the Bible, rather than the "Koran" "Diamond Sutra" "Shock Yanjing" "Tao Te Ching", religious discrimination!
