

What should you pay attention to when tattooing in Chinese?

Because I don't understand, I feel beautiful,
The Chinese are no different from other people. The Chinese feel that other texts are also cool (except for Korean and Japanese, these two words are good-looking, but not suitable for tattoos)

She doesn't know what the words mean.

If you want to tattoo, please be sure to ask a few Chinese people to understand the meaning of the Chinese characters, and also choose the appropriate font, although these fonts are very good-looking, but there are better looks.

Brave
love
glad
happy

Chinese is like painting, it is very good for making tattoos.

But some Chinese are not suitable for use as tattoo content.

image not found or type unknown

Words that have no special meaning are piled together

image not found or type unknown

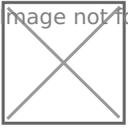

Chinese pronunciation of English names, this is very interesting

image not found or type unknown

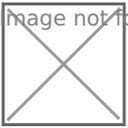

Holds-barred

image not found or type unknown

Nothing to mean

image not found or type unknown

Encourage, nationality? Nothing is

image not found or type unknown

loyalty.

Iverson is very suitable for this word

image not found or type unknown

Bonnie Grad, should it be her name?

image not found or type unknown

Life and death are rich in life, very philosophical

image not found or type unknown

Invincible

image not found or type unknown

It's like missing three days in a day.

But there is also a hidden meaning that it takes a long time to make love.

image not found or type unknown

Thinking about getting rich, this is very reasonable

image not found or type unknown

Prisoner

image not found or type unknown

Shemale

image not found or type unknown

a health care product in China

image not found or type unknown

Chicken noodle soup

image not found or type unknown

In fact, the Chinese character of this tattoo is "soy sauce".

image not found or type unknown

The three words are "fucking your mother, black tiger, robber"

image not found or type unknown

Dumb American

image not found or type unknown

Frustrated
